

- 1)I would like to share with you how K-love serves me and my family with strong everyday morals.
- 2)I know that the effect of K-love on my local community is vast due to the strong ties that we have with our neighbors, friends and family members.
- 3)I believe in the best interest of my community and in the best interest of the public you should not allow the change to "LPM" concerning the interest of K-LOVE.
